TABLE SERVICE

PROFESSIONAL SNIFFER 205-00-18 14.75 oz.

This is not your uncle's brandy or cognac sniffer. These wide-bowl, stemmed-glasses are the perfect options for capturing the aromas of strong ales.

Recommended Beers: Belgian Ales, Indian Pale Ales, Barleywines and Stouts.

STEMMED BEER 90249 • 12 oz.

These glasses are typically used for lower aroma beers that are served at colder temperatures. The tall, narrow shape helps contain the beer's aroma.

Recommended Beers: Lagers.

GRANDEZZA WHEAT BEER 140-00-50 • 11.75 oz.

This tall, thin glass provides room for the often thick heads that typically come from wheat beers, this helps trap aroma and is a visually pleasing service presentation.

Recommended Beers: Wheat Beers.

These medium-sized capacity glasses allows for an establishment to provide an upscale service presentation when serving increasingly popular craft beers that are often served in bottles.

BERLIN BEER F1729 • 14 oz.

The open mouth of this tulip-shaped glass brings the aroma of stronger beers to life. The rounder mid section of the glass allows the beer to warm which will intensify the flavor.

Recommended Beers: Trappist-style, Bocks & Fruit Beers.

EMPIRE PILSNER 165270 • 13 oz.

The clarity of this trumpet-shaped glass helps capture the sparkling effervescence and color of the beer while containing the beer's head. The design of this glass adds a touch of class to any table setting.

Recommended Beers: Canadian Ales.

FLARED PILSNER 90245 • 13 oz.

The wider mouth of this glass helps expand the aroma of the hops, while the tall, slimmer body helps keep the beer cooler for a longer period of time.

Recommended Beers: Pilsners.

DRAFT SERVICE

These larger capacity glasses are essential for today's beer service, especially for establishments offering a large assortment of draft beers.

TULIP GLASS 90243 • 20 oz.

The multipurpose shape of this glass performs two main functions by trapping the aroma and maintaining a larger head versus other shapes. This creates a visually stunning presentation of beer. **Recommended Beers:** Scottish or Belgian Ales & Barleywines.

ENGLISH PUB GLASS 90244 • 20 oz.

An excellent all purpose beer glass with a slight ridge toward the top of the glass as a type of grip. This shape is most popular in British pubs and offers an authentic look to any beer service. **Recommended Beers:** English Ales

PUB GLASS 90247 • 20 oz.

90248 • 16 oz. not shown The German version of the English Pub Glass, also available in a 16 oz capacity (item # 90248). The major difference is the top of the glass tends to flare inward to help contain the abundant beer head found in German Beers. **Recommended Beers:** Pilsners and German Ales.

PILSNER 80436 • 23 oz.

Typically used in many beer establishments as the all-purpose draft beer glass, available in 23 oz and 20 oz capacities (item # 90065). The shape of this glass helps accentuate the aroma of many types of beer, but especially effective with wheat beers.

Recommended Beers: Wheat Beers and Lagers

BARBARY BEER 93010 • 20 oz.

93011 • 16 oz. not shown Taller and slightly narrower than the standard pint glass, the wide mouth accentuates the aromatics of the beer being served. **Recommended Beers:** Amber Lagers and Ales.

PUB MUG 90250 • 16 oz.

90251 • 16 oz. not shown The traditional North American beer-drinking vessel of choice with an upscale flair. These mugs are available with a typical round base or even a more upscale looking square base (item # 90251). The narrow mouth helps contain the beer's aroma while the handle limits hand contact which may warm up the beer. **Recommended Beers:** German Ales and Light Beers.
