Providing Innovative Equipment & Supply Solutions

New e2s Merrychef Oven

With cook times up to 20 times faster than a conventional oven and consistent, high-quality cooking results, this is the smallest high-speed oven with the biggest cooking performance!

- Fast and Quiet Operations
- Easy to Clean
- Cooks bigger portions and with a great new look and small footprint
- Ventless

Garland Induction Green Heat

Instant powerful heat concentrated exactly where you need it most. Offering improved safety, huge energy savings and is easier to clean!

The Flexible Griddle Line

- Lower energy consumption and even lower radiant heat due to a new special surface coating
- Precise temperature monitoring across the entire cooking surface

Induction Braising Pan

Part of the Module line and the perfect partner for large-scale fitted kitchen installations.

- Remote power supply
- Ideal for flexible kitchen planning

Temperature Controlled Hold Line

Ideal for buffets, events and banqueting, the Built-In Hold-Line range provides constant temperature and clever condensation drainage to ensure top quality food items.

- Single generator powers up to four hotplates

For more information visit www.zinkfsg.com or call 800.492.7400.

Tabletop & Smallwares

Embrace™

A sleek design and stylish look for banquets, trade shows, and events. The true four-way stretch fabric easily expands over most tables for a uniformed look – no measuring required.

- Perfect for traystands, beverage dispensers and waste receptacles
- Easy to install; no pressing or dry cleaning required
- Machine washable and dryable for easy care

- Available in nine contemporary and trend-forward colors

Coldmaster® CoolCheck™

Eliminate the inconvenience and mess of ice, as well as reduce the potential for bacteria.

- Quickly see when temperatures are no longer safe
- Same great features as Coldmaster® products with the added element of color-changing technology
- Unit holds food safely below 41°F for 6-8 hours

Designer Coldmaster®

Same great features as the original Coldmaster® with an attractive design that keeps foods cold, appetizing and safe.

- Decorative styling and Coldmaster® technology allows complete versatility
- Features stylish new colors to complement a variety of decors

- Clear polycarbonate lids help preserve food freshness
- Constructed of high impact ABS material

Melamine Dinnerware

All melamine dinnerware offers the following features:

- Durable, heavy-weight melamine
- Textured surface maintains good looks longer and enhances the appearance of plated foods
- Safe for temperatures up to 212°F
- Two-year warranty against chips and breakage
- Dishwasher safe and stain resistant

Gathering – The look and feel of hand thrown pottery, available in dinnerware and many popular serving sizes perfect for deli or buffet use.

Grove – Gently striped design makes standardized plating a breeze.

Mingle – Swirl decoration draws the diner's attention to center of plate.

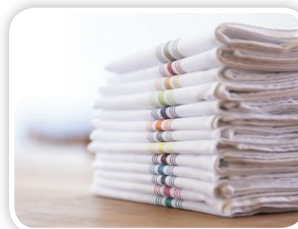

Parasol – Bright colors are poolside's perfect companion.

Epicure Acacia Wood Grain – The convenience of durable melamine with an organic Acacia Wood grain look without the need to hand wash and season.

Bistro™ SoftWeave™ Napkins

Achieve the spirit of farm-to-table with an authentic look.

- 100% SoftWeave fabric
- Yarn dyed stripe stays true to color without fading or bleeding
- 18" x 22" pre-cut with hemmed edge
- 15 color options

Providing Innovative Equipment & Supply Solutions

Jackson®

Jackson – Delta 115

Offering all the same features of the Delta 1200 glasswasher with a new convenient 115 volt outlet for bar installations.

- Cleans 1,200 glasses an hour
- 12" clearance
- Double-wall for quiet operation

Jackson TempStar®

Jackson®

This door-type dishwasher can wash 39 racks per hour using 0.89 gallons of water per rack and allows versatile applications with four timed cycle settings and interchangeable wash/rinse.

- Ventless: Does not require a hood
- Energy Recovery
- Sani-Sure™ feature ensures proper rinse water temperature
- Multi-cycle timer
- Single point connections for all utilities
- Durable stainless steel construction

Frymaster® FilterQuick

- Oil quality sensor tells you when to change oil!
- Reduce oil handling with push-button filtration and auto top-off.

Anthony®
A DOVER COMPANY

Vista Doors

Anthony's Vista Cooler Doors are the ultimate door for product visibility on the market. Available in single or double-door sets, this product boasts the visibility to create the image of no barrier between the product and the customer. Adds more facings to your line up.
