

QuadGrip™ Cutting Board

A cutting board with a replaceable cutting surface.

Replacing worn equipment with new tools is an integral part of maintaining a safe foodservice operation.

The QuadGrip Cutting Boards are a patent-pending two-in-one, frame and board system to safely prep food while reducing waste and cutting costs in any operation. The NSF certified boards easily snap into either side of the frame during use and are simple to remove for dishwashing between tasks.

Features

Frame and Board System
to reduce costs and improve
food safety

**Color-Coded Cutting
Board Refills**
to reduce cross-contamination

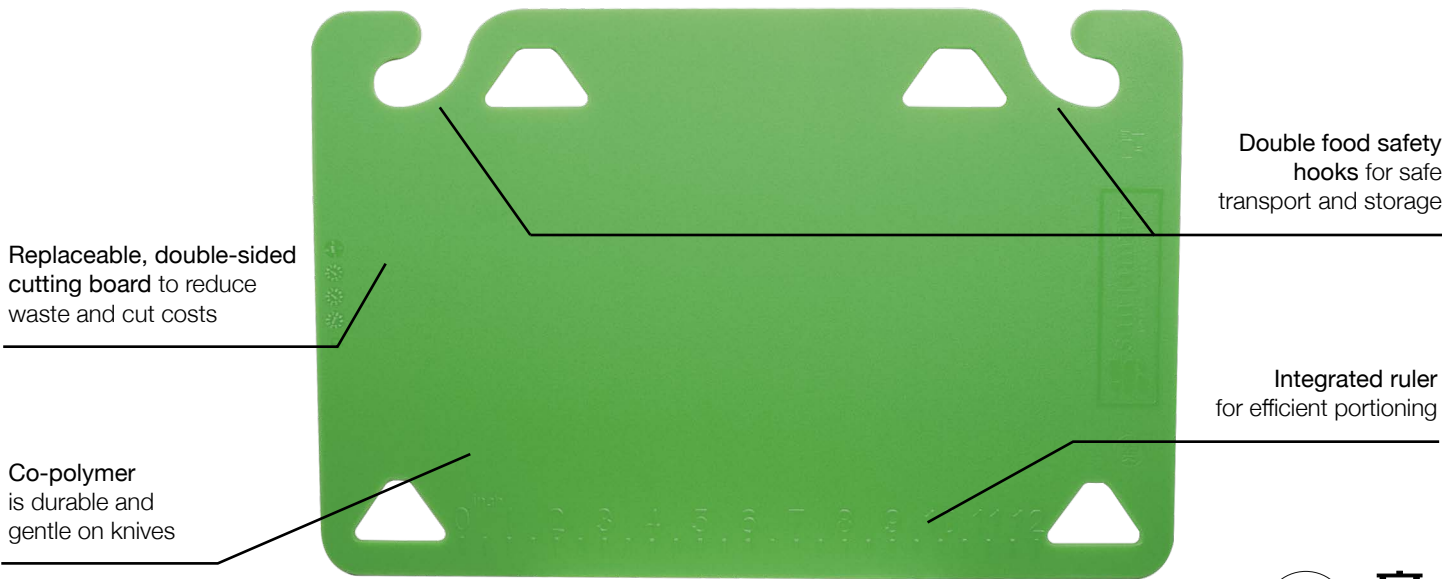

Double Food Safety Hooks
for sanitary transport and storage

Patent Pending
