Oven model number suffix designates which controls will come standard on the oven model.

Ovens with suffix "DE" have standard controls and ovens "DX" have Deluxe Oven models.

## STANDARD LED CONTROLS

Easy pre-set automatic controls for cooking and holding cycles, which allow for unattended operation.

## DELUXE LED CONTROLS

Same easy pre-set automatic controls with the option to save 18 programmable recipes, and the flexibility of probe cooking.

## CUSTOM EQUIPMENT

Cres Cor offers heat-treated vinyl wrapped cabinets, powder coated sides and/or magnetic door decals to display your custom message. Perfect for:

- Stadium events (Indoors or out)
- School gatherings
- Concession stands
- Social events
- Fund-raisers
- Concerts
- Schools, Colleges, Athletic Teams

### We Need:

Graphic files in original vector artwork (.AI, .PDF, .TIFF, .EPS) with all fonts outlined.

Photography artwork minimum of at least 150 dpi at full size.

Include any specific PMS/Pantone or RAL colors, or supply sample.

### Production Lead Times:

Artwork is supplied to Cres Cor Marketing Dept. and designed on cabinet layout for preliminary approval. Once approved artwork is sent to vinyl company which will produce electronic art proof 1-3 days, press proof from vinyl company will be created and shipped for approval 1-2 days, once art is approved, minimum 4 weeks for production and delivery.

**E-mail artwork to [kbohinc@crescor.com](mailto:kbohinc@crescor.com)**

Should you have any questions regarding the vinyl wrapped cabinet art or layout, please contact our Customer Care team during normal business hours.

## TERMS & CONDITIONS

- ACCESSORIES are optional at extra cost. See accessory index below and pages 4-8, consult your Cres Cor Sales Rep or contact Cres Cor Customer Care Dept. for more information.
- CUSTOM DOOR GRAPHICS available on any hot cabinet, banquet cabinet, utility cabinet or refrigerated cabinet. Call for pricing or consult your Cres Cor Sales Rep.
- CUSTOM COLOR POWDER COATING available on HotCube models only, call for pricing or consult your Cres Cor Sales Rep.
- PRICES SHOWN are subject to change without notice.
- **NOTE: POSSESSION of PRICE LIST does NOT constitute an offer to sell.**

## WARRANTY:

We provide to the original purchaser of Cres Cor equipment three levels of warranty coverage: **Gold, Silver and Bronze.**

*For each of these levels any part thereof which proves defective in material or workmanship on our products, Cres Cor warrants the following:*

 <b>GOLD</b>	<b>3-Year Parts, 1-Year Labor</b>	<b>Our Gold warranty</b> , the best warranty in the industry, is offered on our H-137 and H-138 series hot cabinets, super duty racks and utility cabinets and covers up to 3-Year Parts / 1-Year Labor.
---	---------------------------------------	--

 <b>SILVER</b>	<b>2-Year Parts, 1-Year Labor</b>	<b>Our standard Silver warranty</b> covers a majority of our products and includes up to 2-Year Parts / 1-Year Labor.
---	---------------------------------------	---

 <b>BRONZE</b>	<b>1-Year Parts, 90-Day Labor</b>	<b>Our Bronze level warranty</b> is our basic warranty coverage up to 1-Year Parts / 90-Day Labor.
--	---------------------------------------	--

***Please see specific model catalog page to determine which warranty applies to your product.***

Warranty starts from date of shipment, from our factory, and at our option, products will either be repaired or replacement part furnished F.O.B. our factory.

Return of component parts will not be accepted for credit without prior authorization of our Service Department and then contingent upon our inspection.

Warranty will not apply if, upon examination, we judge that the equipment or any part thereof was found defective through lack of purchaser's responsibility for maintenance or storage, accidental damage by moving or otherwise, neglect, abuse, misuse, misapplication or alteration by other than ourselves, or use of unauthorized parts.

Warranty will not apply if purchaser is delinquent in payment of the equipment at the time claim is made or if our serial number has been removed from the equipment.

Except as herein above set forth no other warranty is made. This warranty being exclusive and in lieu of all other warranties, expressed, implied or statutory, including without limitation implied warranties of merchantability or fitness. In no event shall CRES COR be liable for any delay in the performance of this warranty due to causes beyond its control. CRES COR shall in no event be liable for any consequential, special or contingent damages for breach of warranty or otherwise.

# Cres Cor Ovens

## **Cook-n-Hold RADIANT Ovens**

**1200, 1000, 750 &  
500CHD Series  
767CHSKD Series**

**★ NO FANS - NO MOVING AIR!**

- Gentle radiant heat allows for longer cooking and holding times.
- Slow cooks for a more tender and flavorful result.
- High yields with less expensive cuts of meat.
- Smoker ovens available in a small footprint.
- Available in 120V, 208/240V.
- Non-venting; does not require a hood.

*(Does not apply to smoker units)*

## **Roast-n-Hold CONVECTION Ovens**

**CO - Series**

**★ 4 FANS WITH MOVING AIR!**

- Gentle convection oven designed for flavorful results by slow roasting.
- Slow convected air system promotes natural browning for flavor and seals in natural juices. Slow roasting means 15% to 20% less shrinkage.
- Models available with or without humidity.
- Several sizes available.
- Available in 120V, 208/240V, or 480V.
- Non-venting; does not require a hood.

## **QuikTherm™ Cook-n-Hold CONVECTION Ovens**

**RO - Series**

**★ 6 FANS WITH MOVING AIR!**

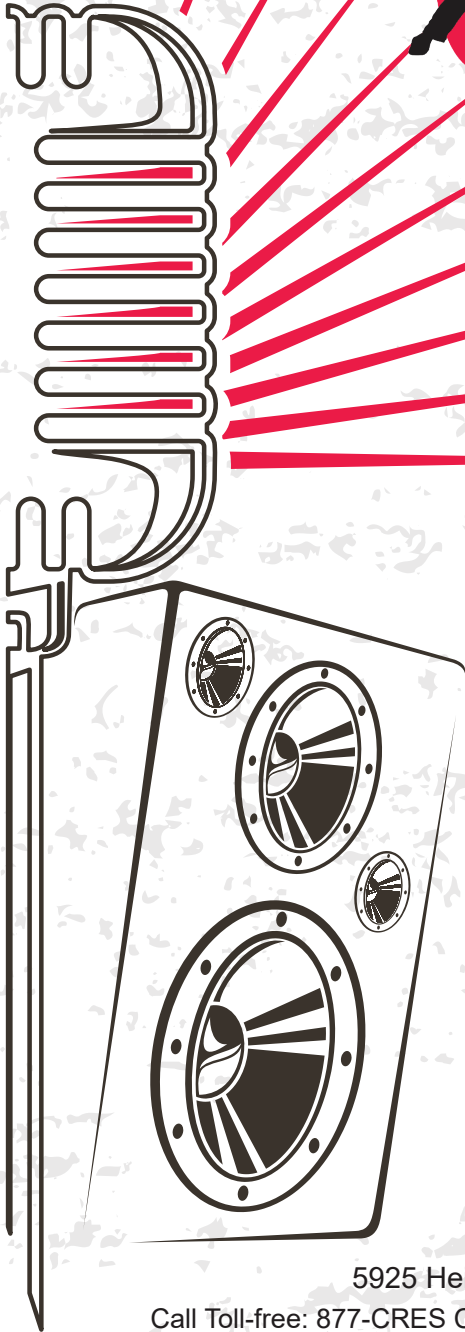

- Quicker temperature start-up and recovery times.
- Roast, cook, bake, air fry, rethermalize and hold with precise temperature and humidity control.
- Power boosting switch allows end user flexibility to increase or reduce air flow.
- Operate all fans on high for air frying crispy foods.
- Models available with or without humidity.
- Available in 208/240V, or 480V.
- Non-venting; does not require a hood.
