FEATURES

Simple Setup

Our single group traditional espresso machines connect to a standard commercial wall outlet and only take up 16" of countertop width, making it easy to add high-quality espresso to your existing workspace.

Barista-friendly Interface

The Crono introduces upgraded brewing buttons as well as a display screen above the group, enabling baristas to view shot times as well as volumetric readings while programming and a progress indicator while cleaning.

LED Work Area Lights

Bright and functional LEDs add visibility for espresso and steam workflows. Now standard on all Classe models.
